

**Do you want to learn to play the violin, viola, or cello?**

The Symphony League of Beaumont invites you to join our **FREE** after-school group string lessons for **beginning musicians in grades 6<sup>th</sup>-12<sup>th</sup>** from **5:30-6:45 p.m. every Tuesday (that BISD has class) at St. Andrew's Presbyterian Church** during the upcoming **2023-2024 academic year**. The weekly classes will be taught by retired BISD orchestra teacher, Martha Giarratano. Scholarships for instrument rentals are available upon request. Please note that beginners' classes are capped at eight students. Students are added to the roster as registration forms are received. Once this class is filled, we will place additional interested students on a waitlist until we have enough to create another class. Please note that every enrolled student must commit to weekly class attendance and daily home practice.

FYI - the Symphony League of Beaumont will also sponsor a class for intermediate violin, viola, and cello players! Interested students should have one year of prior experience. Please email [slbyouthmusicedu@gmail.com](mailto:slbyouthmusicedu@gmail.com) for more info or to request a registration form.
