

Symphony League of Beaumont Debutante Nomination

The Symphony League of Beaumont is now taking nominations for the 2024 Debutante Program. We invite you to nominate one or more young ladies for the upcoming season. **Mothers who are current members of the Symphony League of Beaumont are encouraged and expected to nominate their daughters.**

The Debutante Program is a time-honored signature project for the Symphony League of Beaumont. It has been designed to be an enjoyable, educational, and cultural experience for the young ladies and gentlemen involved. This year's program fee is \$1,750.00. There is also an Escort fee of \$350.00, which is the responsibility of the Escort's family. The Debutante selects the Escort. Please do not send a check for fees with this nomination form. All fees will be collected when an invitation is extended to the young lady and her family.

Selection Policy of the Symphony League of Beaumont

The nomination of a young lady must be submitted in writing. Any friend or family member who is a current member of the Symphony League of Beaumont may nominate a Debutante. The nominee must be a high school senior in the year of her presentation.

The Debutante Selection Committee will select nominees to be presented as Debutantes from nominations in accordance with the policies of the Symphony League of Beaumont. Selection will be based on the family's commitment to the League's mission and bylaws, not on the nominee's social or academic endeavors.

Considerations or Nominee's Record of Service

The Selection Committee will review all nominations received considering the active support a nominee's family member(s) (especially parent or stepparent) has given to the Symphony League of Beaumont and the Symphony of Southeast Texas, Inc.

The Selection Committee requires the family to submit a Record of Service detailing its support of the organization. The Record of Service should consist of a typed document that identifies each family member's support to the Symphony League of Beaumont or the Symphony of Southeast Texas. Please create your own Record of Service in chronological order, and specifically identify how you supported the League. For example: any events you supported, the manner in which you supported it (volunteer presence, monetary donations, etc. or any offices or jobs held, the years, and a description of such volunteer jobs). This Record of Service must accompany the nomination form. Incomplete nominations will not be considered.
