Dear Friends of the Symphony,

The Symphony League of Beaumont is excited to host our annual Bourbon Tasting in support of the Symphony of Southeast Texas, an institution that has consistently enriched our city's cultural landscape with its breathtaking performances. As we all know, the arts play a pivotal role in shaping a vibrant and cohesive community, and the symphony has been instrumental in this endeavor.

The Bourbon Tasting event is scheduled for Wednesday, November 8, 2023, and will be a unique and memorable experience for all attendees. This event offers an opportunity to enjoy a curated selection of exceptional bourbons, wine sampling, or the available cash bar while engaging in lively conversations with fellow patrons of the arts. The evening will be filled with live music from Curse and the Cure, the beautiful ambiance of Amelia Farm and Market, a live/silent auction, and the chance to connect with like-minded individuals who share a passion for both fine spirits and classical music.

We believe that you share our commitment to fostering cultural appreciation and community development. By becoming a sponsor for this event, you will not only align your organization with a beloved cultural institution but also contribute to the sustainability and growth of the Symphony League of Beaumont. Your support will directly impact our ability to bring world-class performances to our city and provide educational outreach programs that inspire the next generation of musicians and music enthusiasts.

We offer a range of sponsorship levels to accommodate different budgets and promotional goals. As a sponsor, you will benefit from prominent recognition in event materials, including promotional flyers, event signage, social media promotions, and our official event program. This is an excellent opportunity for your organization to gain exposure and demonstrate its commitment to the cultural vitality of Southeast Texas.

Thank you for considering this partnership opportunity. We are confident that your involvement will contribute significantly to the success of the Bourbon Tasting fundraiser and the continued success of the Symphony of Southeast Texas. If you have any questions or would like more information, please do not hesitate to contact us directly.

We look forward to the possibility of working together to create a memorable event that celebrates both the arts and the spirit of Southeast Texas.

Sincerely,

Brooke Morrow and Gigi Mazzola
