John Arthur Shanning
Zachary Landon Torres
Logan Ryan Zambardino
Stephen Bennett Zummo

Dear Symphony of Southeast Texas Friends,

The purpose of the Symphony League of Beaumont shall be to support and promote the growth of the Symphony of Southeast Texas and to foster and encourage musical education, participation, and appreciation of the membership and the public. The 2025 Symphony Ball is the league's primary fundraiser, with proceeds benefiting not only our wonderful symphony, but other important programming, such as Youth Concerts, String Competitions, and our youth String Education. This educational program provides both instruments and lessons to children who may otherwise not have the opportunity to play an instrument. By contributing financially to the ball, you are helping our whole community! Music is a healing, unifying, and powerful source of inspiration and hope for all, especially children.

The 2025 Symphony Ball and the events that precede it, promote these educational opportunities for our youth. An unforgettable night in "*The Secret Garden*" will be a night enjoying the elegance and enchantment of an English garden, making memories with family and friends, and most importantly, investing in the musical culture of our community. We invite you to join us to not only experience this charmed evening, but more importantly, become invested in the future of the success and sustainability of *The Symphony of Southeast Texas*. The highlight of the evening will be the presentation of the 2025 Symphony Belles, Beaus, and Flower Belles. Fine dining, *In10city* dancing, "sparkling" drinks, and a unique silent auction will complete the night.

Please see the enclosed Sponsorship/Underwriting form, outlining the various levels of giving to the 2025 Symphony Ball. Kindly return your form by December 31, 2024, to allow us to honor your name in our printed materials and electronic materials as early as possible. Your support as an underwriter will ensure that our wonderful *Symphony of Southeast Texas* continues to be a cultural blessing to our community. You will also further the SLB's devotion to foster and encourage musical education, participation, and appreciation of the membership and the public, and that this year's ball, *The Secret Garden*, is a great success for our youth. Thank you in advance for your generosity and sharing the joy of music with our community!

Yours Sincerely,

Lauren Cavett, 2025 Symphony Ball Underwriting Chair

Stephanie Vanskike, 2025 Symphony Ball Chair
